NamSU offers various courses of study, including 27 bachelor educational programs, 13 masters specialization programs, 5 programs for full-time Doctorate and another 11 programs for part-time Doctorate. The university trains high-skilled specialists in Languages (Uzbek, Russian, English, German), Literature, Social sciences, Law, Political sciences, History, Archive studies, Pedagogy, Psychology, Education, early childhood education, preschool education, Sport, applied art, geography, economy, mathematics, applied mathematics, physics, chemistry, biology, technical sciences, and etc.

Today the university has academic relationships with more than 40 advanced universities in Europe, Asia and CIS countries. Every year the teaching staff and students attend different scientific events and spend academic visits in advanced universities in developed countries. NamSU as a national coordinator and main role player in TuCAHEA Tempus project (see more information to [www.tucahea.org](http://www.tucahea.org))

In October 29, 2013, Cabinet of Ministers approved order on “About the measures of improving the activities of Namangan State University”. Developing the international relations has given main priority. Therefore, we see Erasmus+ program is one of the good opportunity to develop the international relations and improve the educational quality.

We are interested in joining as a partner to any possible projects under Erasmus+, especially to develop joint master program and capacity building projects.

looking forward for partners,

Team of International relations department
