Short Description of the school	Our school is situated just outside Lille, the biggest city in the north of France. It's well located as it's just 35 minutes away from Brussels, an hour from Paris, 1h20 from London and a couple of hours outside Germany. We have a very pleasant working environment as you will see if you come to work here and we have already welcomed an international student here just this year. We provide our students with a diverse range of projects and activities (see website).
