ERASMUS +

Notre-Dame de la Merci High School,  
Montpellier, France

---

You are from Norway, Sweden or Denmark and you would like to live in France.  
You want to improve your level of French and your knowledge of France and share your culture and language with French high school pupils.  
You would like to contribute to the development of exchanges between teachers and pupils.  
Notre-Dame de la Merci High School will give you the opportunity to attend and help in a classroom.  
We will be pleased to welcome you for a few months in our team.

You could improve your linguistic and cultural knowledge, and at the same time, develop your professional skills thanks to a contact and exchange with pupils.

But not only...

... You could also be involved in other projects : participating in the organization of our international projects, helping the team to develop new partnerships with your country's high schools.

As a representative of your language and culture, you will contribute to the development of the school's openmindedness.
