Dear Colleagues,

I would like to share with you an email received from Al-Azhar University in Palestine, looking for EU partners in key action 1. It will be of great help if you can disseminate their request widely amongst your HEIs.

It is worth noting that we have many CBHE and Mobility partnership requests from the Palestinian HEIs on the following link:

It will also be great if you could disseminate this link to your HEIs.

Sincere Regards
Nedal Jayousi
