# Transform your future!

Earning a master's degree TESOL (Teaching English to Speakers of Other Languages) equips graduates with the knowledge and skills needed to teach English as a foreign/second language anywhere in the world. In our continuously smaller and interconnected world, the ability to teach English to speakers of other languages is a highly desirable skill.

If you want to continue your personal and professional development, enhance your abilities and become an expert in your field, postgraduate study is your next step. If you are passionate about teaching English to speakers of other languages and want to strengthen and expand your knowledge, understanding and practical skills in language learning and education, then this is the program for you.

Starts January 2020; All course work and the examination are completed online.

2-year program / 4 semesters

Fee: €3.450 per semester

Administrative support during the entire time of study by the AAECA, Vienna.
